### **Longer bio:**

**Patricia Daley**, of Boise, Idaho, is an accomplished guitarist/singer who blends jazz and folk into her own unique style and sound—a sound that keeps listeners engrossed. She’s a masterful guitarist; and her vocals...clear and beautiful. Her playing and singing can be summed up as “smooth and sophisticated”, and, as many a fan has stated, she’s “very, very easy on the ears”.

In 2016, Pat teamed up with jazz bassist and vocalist extraordinaire, Peggy Jordan. The resulting creation, [Mood Swing](#), is a smooth, jazzy, bluesy Boise duo whose signature sound and irresistible groove always packs the house.

Pat has been playing guitar, singing, and writing songs since age 11. She has been a mainstay of the Idaho music scene for over twenty years, building up a devoted following of fans who rarely miss a gig. As well as being a performer, Pat is one of Boise’s most sought-after guitar teachers, and serves on the board of the Idaho Songwriters Association.
